Comments	Purchase Oracle software licenses renewal for existing licenses (May July). The Employees' Retirement System's primary computer applications operate on the Oracle database system. The ERS is seeking to purchase the software maintenance renewal for existing Oracle software licenses support from authorized resellers of Oracle software products. No on-site meetings are expected since this procurement is for renewal of maintenance support of ERS's Oracle software licenses. Companies are required to be compliant to the laws of the State of Hawaii. Please refer to the requirements of the Special Provisions (such as page SP-2 to SP-5) and General Condition (such as, sections 34, Governing Law, and 35, Compliance with Laws) in the Invitation to Bid.
